Fulgent Sun International (Holding) Co., Ltd. ("Fulgent Sun", TWSE: 9802) today announced its unaudited sales for July 2017 was NT\$962 million on a consolidated basis, an increase of 9.38% from July 2016.

Unaudited consolidated sales for January through July 2017 totaled NT\$5,881 million, an increase of 5.66 % compared to the same period in 2016, but in dollar terms, the revenue growth of up to 12.76%.

Although Fall/Winter shoes are in shipped peak season, revenue deferred recognition still exists, resulting Sales for July reduction of 8.0 % from June. Fulgent Sun is expected to maintain high-grade in August. In spite of shoes season alternately, the shipment has gradually entered off-season in September and October. It will not be low. Outlook for second half of the year, the production and sales gap and capacity allocation planning will leads to the single-month revenue volatile. Under the demand of order growth and capacity growth rate full loaded, the Group is optimistic to estimate single-month revenue growth rate are positive growth in next few months, but it must speed up the lines. The Group's output value and sales will be higher than in previous years as a whole, long-term growth momentum without fear.
