2017/11/07, Douliu

Fulgent Sun International (Holding) Co., Ltd. ("Fulgent Sun", TWSE: 9802) today announced its unaudited sales for October 2017 was NT\$724 million on a consolidated basis, an increase of 62.96% from October 2016. Unaudited consolidated sales for January through October 2017 totaled NT\$8,362 million, an increase of 15.23 % compared to the same period in 2016 (but in dollar terms, the revenue growth of up to 22.15%), reaching the same period of historical high.

Although Fall/winter and Spring /Summer shoes alternately shipping off-season in September and October, the key factor for overall operation increased significantly over the same period last year that new orders from beneficiary brands continued to heat up and the new production line has been officially mass production in non-China regions (Cambodia and Vietnam). With new season of Spring/Summer shoes shipping of 2018, the confirmed orders continues to maintain high visibility in three to four months, directly driving the production capacity of each production base remained at the high water level. According to the past management experience of the law, new employees in the new production line continued to enhance the learning curve, expanding production efficiency will be gradually demonstrated in the production and sales and profits. Outlook for future, the Group's capacity expansion still maintains the annual growth of 10% to 15% as the goal. Capacity configuration and order outlook are well, and then long-term growth momentum can be expected.
