2023.09.07, Douliu, Yulin

Fulgent Sun International (Holding) Co., Ltd. (Fulgent Sun, TWSE: 9802) today announced its unaudited sales of NT\$ 977 million in August 2023. It was a decrease of 43.20% from NT\$ 1.71 billion in the previous month. It also decreased by 63.34% from NT\$ 2.66 billion in the same period of the previous year. The unaudited sales for the first 8 months of 2023 reached NT\$12.36 billion. Although the annual decrease 20.16%, it was still the second best in the same period of the previous years.

More uncertainties in the global production and economic situation have substantially affected the purchasing power of terminals, which in turn affected the pace of purchasing goods and ordering strength of most international brand customers. As a member of the supply chain, it is difficult for Fulgent Sun to be alone. However, the entire management team will still adhere to its original intention. Taking into account the realities of the global industrial and economic situation, it will dynamically deploy and integrate resources, continue to develop new customers, steadily build new production capacity, continue to improve smart manufacturing and digital transformation, and pursue long-term excellence.
